Round Rock Preservation is the City of Round Rock's only nonprofit membership organization dedicated to preserving and protecting the City's most significant historic sites and buildings within the City of Round Rock. Our project for the year of 2018 was to relocate the Round Rock Stagecoach Inn to save the Inn from demolition; since the Inn is the oldest surviving structure within the City of Round Rock (build in 1848). Working with the community and the city, the Inn was relocated from 901 Round Rock Avenue to 750 Chisholm Trail Road. Work then continued on the Inn to restore the Inn by repointing the stones and rebuilding the west wall and resizing windows and doors back to their original site. The Project is now ready to move forward in 2019 by reconstructing the roof, windows, doors, floors and interior walls.

- Quarterly Newsletters to supporters

What to look forward to during 2019:

- Identification of future use for Round Rock Stagecoach Inn.
- Quarterly RR Preservation Newsletters.
- First Historic Homes Tour
- RR Stagecoach Inn Reconstruction (Hope to begin some part of the Inn's reconstruction)
- RRP Preservation Awards

...and that's just the beginning

We appreciate your support of Round Rock Preservation this year and will continue our mission of preserving the places where Round Rock history lives throughout many years to come.

If you'd like to support Round Rock Preservation consider a monthly donation to our 501c3 nonprofit. We're also currently raising funds for RR Stagecoach Inn Reconstruction and graciously accept any amount toward this fund.

WE WISH YOU A HAPPY NEW YEAR?

Thank you for your support!
